# Farm Spreadsheets For All Seasons

with Dan Brisebois

A complete framework to customize, plan and manage what you grow, harvest and sell.

## Farmer Spreadsheet Academy

**COG members receive 10% off program registration.**

Farm Spreadsheet For All Seasons is a Crop Planning course with a full set of spreadsheet templates. The videos walk you through how to use the templates. There is also a full Harvest Management set of spreadsheets to run your harvest morning and pack shed. And 3 extra mini courses to crop plan for CSA, crop plan for seedling sales, and crop plan for seed growers.

During the course launch COG members can use this discount code on the CAD registration page.

## High Mowing Organic Seeds

**COG members receive 10% off Orders > \$100, 1 use per member.**

High Mowing Organic Seeds offers certified organic, non-GMO seeds bred to perform best in organic conditions. Non-GMO seeds are tested for high germination rates and GMO contamination.

With over 700 heirloom, open-pollinated and hybrid varieties of vegetable, fruit, herb and flower seed, High Mowing's commitment to furthering organic agriculture continues to grow and in turn grows the organic movement.

## New Society Publishers

**COG members receive a 25% discount on all New Society titles at their online store (not applicable on books not yet off the press or New Catalyst titles).**

Books to Build a New Society — Publishing books that contribute to building an ecologically sustainable and just society. New Society Publishers' mission is to publish books for a world of change in a way that has a minimum impact on our environment.
